**SUNDAY  
MARCH 6.**  
30 Years ago this date  
President Lincoln proposed  
a plan of pecuniary assist-  
ance for the emancipation  
of the slaves.  
Many plans are pro-  
posed at different times that  
ought to be followed. For in-  
stance, my plan of selling better  
shoes for the money than any other  
dealer, results in the pecuniary  
assistance to the person buying  
of me, in just the amount of  
the difference between my price  
and those of other retailers.  
The logical conclusion of  
the whole matter is that every  
one should buy all their Foot  
wear for themselves and  
their families from me.

**INDUCEMENT SHOES!!**  
"SEE HOW THEY RUN!"  
THEY ALL ARE RUNNING TO  
MY STORES FOR THE "Induce-  
ment Shoe"—a \$4.00 shoe for \$2!  
Those that come now can get them,  
those procrastinating shall not find  
them, as they will all be sold.

**INDUCEMENT.**

BUTTON SHOES,

manship, these shoes are equal to  
any that are sold elsewhere at much  
higher prices.  
All kinds of reliable foot covering  
for man, woman, or child for less  
money than same grade of goods  
can be bought for elsewhere.
